Amy moved to accept the treasurers report

Mombi seconded

Accepted

7.3. Neighbourhood Watch (AL)

- Monthly report

\$3000 max application for NH, prefer applications for \$1000, needs to relate to safety, due in by the end of August. Ask people on the FB page and no really good ideas came through. Amy will consider doing it for the dash mats. Ross can provide the costs from suppliers.

7.4. Events (All)

- Carols by candle light (JM)

Provisional date Saturday 17 December – 6:30pm-9pm

Jo has put in the Lottery West funding application has been submitted – applied for \$6000.

Part of the application is to provide the financial statements of HRG and the constitution.

When Jo spoke to LW person, it is half the amount that they can provide funding for and they seemed pretty

Two documents are outstanding (after sending in the financial statement) - risk management plan, Shahan has provided an example, and an event run sheet. These are required after past the first stage.

Jo asked Holli if she could look at the risk management plan

Jo has spoken to the choirs about the timing for putting together the runsheet – main advice was to have Santa last.

Jo to ask the Fire Brigade to have Santa come in on the fire truck.

Song books – sell the song book for a gold coin donation (Phillipa to be approached to provide the printing), proceeds to go to HRG

Proceeds for the candle sales to go to Beyond Blue.

City of Kwinana have agreed to waive the cost of the park for the event Jo has the paper work to do the approvals for the events, but will submit the application once confirmation from LW.

St John's Ambulance has been included in the quote – not yet to tentatively booked.

Estimate came to \$8000, quotes back from the Choir and Jazz ensemble - \$750 each (cheaper due to being a community group) – both have tentatively confirmed available. Urban Grove PS have been contacted, they can't commit their choir, however there are likely to be children who are interested.

Have been approached by the HW Markets to have carols at the markets – so another opportunity to have the children to be involved. School finished on 15 December so the event is out of school time.

Choir is the Rossmoyne Community singers.

Contacted Hammond Park, Aubin Grove and Harvest Lakes community group (Vavendi and Ross Noble at Hammond Park) – different date to all of these events.

Potential to do picnic baskets, Jo spoke to the Health officers at CoK and picnic baskets would be a great time. Also see if some of the farmers market stalls to come, coffee lady, donuts. Suggest to ask them to see if they will do it as a donation – for Beyond Blue. Potentially could ask people to help out putting them together and could ask for people to book them.

Jo has spoken to CoK about obtaining funding. Spoke to Rick to about it (one of the supporters for the LW grant). Rick has provided forms for an events – about \$3000.

7.5. Environment (CG)

- Community Garden update

Had a site visit and there are some issues with the two sites. Catherine to update on the issues in the spread sheet.

Ash and Holli will take the lead on the Community Garden on Catherine's departure. Catherine to arrange a hand over meeting with Holli, Ash and Jo.

7.6. Membership (MS)

- Update

7 requests pending less than 7 days old

923 FB members

Mombi can provide new members with a schpeel on the HRG and make people aware that they can join.

Jo commented rom the cupcake sale that people think they are members by just being on the FB page

Mombi will give people warnings about people who over advertise things, including personal items for sale. One post, not multiple posts. Buy and sell is like a business.

Mombi to post that this is not a buy and sell page.

Mombi and Ash to update the intor on the FB page before the AGM

Mombi provide a one warning to advertisers and delete obvious non residents off straight away.

7.7. Social

Possible social event to say farewell to Shahan and Catherine – November (it was suspected that Shahan may be hearing the patter of small feet – question is boy or girl?)

7.8. Sub-committees

7.8.1. Community Garden

See update above.

8. General Business

- Exercise opportunities - Amy wants someone to market for 35 yr old cat ladies.

There have been no opportunities that have been provided for the past 2 years. There needs to be groups that cater for people who work.

There is a current group of “yummy mummies” that meet during the day.

There are also a number of person trainers in the estate.

Possibility to get some funding through the healthy lifestyle program at City of Kwinana.

- Disabilities and inclusion committee for CoK and Glynis attended the meeting today, and raised the issue of the bus stops. It is a safety and disabilities issue that people can not access the bus due to the location of the bus stops. Glynis read out the requirements and the plans to upgrade the bus stops by PTA so that it can comply with the federal disabilities legislation. PTA need to comply by 10 years time. However CoK are working with the PTA to upgrade the stops to include the bus shelters in some of the sites. GM suggested using the area around the Suggested putting something on the FB page that the HRG is working with the CoK to improve the bus shelters.

Glynis to update the HR FB page in the next few days.

- HRG webpage

Ross needs to prioritise this or the committee suggested that we outsource someone to do it. Need to get Ross’s ok.

Jo to talk to Ross, perhaps post on the FB do see if anyone is interested, or the person who Jo knows up the road who could do it.

1. Membership forms, community garden info can be on there

2. Then we can post the FAQs
 3. Newsletter
 4. Events and photos
- Catherine mentioned about the issue of the lack of shade and people weren't interested in coming to the meeting. Except for Biz, the others weren't interested. The provision of shade could be something the community group could do and get funding with the CoK. Amy suggested a weekly bio on who's who in the community, to get some traction on the FB page. Jo will do the first one.
 - Newsletter
CG to talk to Shahan when she is back (18 July)
